I finish my meeting at Goldman Sachs at 13:00.
After that I'm free.

David,

1-2. Prefect.

3. I think Mr. Fegel will have to leave at 4pm. But maybe Mr. Barak and myself can stay a bit later. I will check and get back to you.

Thanks,

Pavel.

Accompanied by a fresh seasonal fruit selection with devonshire cream. Includes: Premium coffee service, assorted bottled juices."

2. **Formal lunch**. You mentioned Mr. Barak likes seafood, so I was thinking "Blackened Salmon Filet, served with fresh tomato, avocado, onion, cilantro and lime salsa on the side. Accompanied by rosemary and sea salt roasted potatoes and grilled vegetables. Includes: NW mixed green salad, fresh dinner rolls with butter. Dessert: Homemade lemon-raspberry bars."

3. **Reception**. We were thinking a reception when you finish the presentation with alcohol, but it sounds like you may need to run to the airport as soon as you are finished at 4pm. Let me know about this. If you need to run, we'll just have some light snacks and soft beverages available.

Thanks!
